

2014 SENG PARENT GROUP

We all know raising gifted children is a blessing - but can also be exhausting! This intensive eight-week workshop focuses on supporting the emotional needs of your gifted child while providing tools for parenting.

Beginning Jan. 9 and running through March 6, the group is led by Callie Stoker-Graham, parent of two gifted children, and Dr. Kelly Brown, Seabury parent and licensed psychologist.

Cost to attend the workshop is \$125 per person or \$175 per couple, for the whole 8-week session and includes a copy of *A Parent's Guide to Gifted Children* by James T. Webb (a \$25 value); this is an opportunity you won't want to miss.

Workshops will run each Thursday, Jan. 9-March 6 (no class on Jan. 23rd), 7-8:30pm, at Seabury's middle school campus, 925 Court C, downtown Tacoma. Sign up today to reserve your space.

The workshop will be capped at 15 participants, so reserve your place now!
